## KEY EXPERTISE

Java | Spring Boot | Spring REST APIs | Spring Data JPA | Hibernate ORM | Spring Security | JDBC | MySQL | Postman | Maven | Git | GitHub | IntelliJ IDEA | HTML5 | CSS3 | JavaScript | Communication Skills

## EDUCATION

**NBN Sinhgad College of Engineering, Solapur** 2023 - 2027
B.E. - Computer Science & Engineering | CGPA: **9.30** / **10**

**Vasant junior College Kaij,Beed, Kaij** 2023
12th | MSBSHSE | Percentage: **78.67** / **100**

**Jivan Shikshan Primary, Secondary, Higher secondary School and senior college kaij, Kaij** 2021
10th | MSBSHSE | Percentage: **90** / **100**

## INTERNSHIPS

**Chand Web Technology Pvt.Ltd.** | IT / Computers - Software 12 Jul, 2026 - 12 Aug, 2026
Developed and enhanced backend application features for web-based applications.
Technologies: Java, Spring Boot, JDBC , JPA , REST APIs, MySQL.

## PROJECTS

**Safe Trip Planner** 21 May, 2026 - 10 Jul, 2026
**Team Size:** 1

**Key Skills:** Java | Spring Boot | REST API | Hibernate | MySQL

**Project Link:** https://github.com/AttarAlfaij/Safetripplan

Built a smart travel planning platform with mood-based itineraries and personalized destination recommendations using Spring Boot. Integrated Hibernate and MySQL to manage travel data efficiently while delivering secure, scalable backend services.

**LeaveEase** 10 Feb, 2026 - 07 Mar, 2026
**Team Size:** 4

**Key Skills:** HTML5 | CSS | Javascript | NodeJS | MongoDB

**Project Link:** https://github.com/AttarAlfaij/LeaveEase

Developed A Web-based leave and attendance system that automated leave processing and streamlined administrative tasks through centralized data management.

## ACHIEVEMENTS

- Runner-Up in Technosinh Project Competition for developing an innovative software solution.
- Campus Ambassador, EDC IIT Delhi — Represented EDC IIT Delhi and promoted BECon'26.

## ASSESSMENTS / CERTIFICATIONS

**Programming Using Java**
**Provider:** Infosys SpringBoard

**AWS Academy Graduate-Cloud Foundations**
**Provider:** AWS Academy
