ABOUT ME

Aspiring Java Backend Developer skilled in Java, REST APIs, MySQL, Hibernate, JPA, and Spring Security, with hands-on experience building backend applications and RESTful services. Familiar with database integration, authentication and developing reliable backend solutions through academic and personal projects.

EDUCATION

B.Tech in Computer Science & Engineering, 2023 – 2027
NBN Sinhgad College of Engineering, Solapur
CGPA: 9.30 / 10

Higher Secondary (12th), *MSBSHSE Percentage: 78.67 / 100* 2023

Secondary School (10th), *MSBSHSE Percentage: 90 / 100* 2021

SKILLS

Soft Skills: Communication Skill , Active Listening , Quick Learner | **Programming Language:** Java | **Frontend Language:** HTML5 , CSS , JavaScript | **Frameworks & Technologies:** Spring Security , Hibernate , JPA , JDBC , RESTful APIs | **Tools & Platforms:** Git , GitHub , GitHub Desktop , Postman , IntelliJ IDEA | **Cloud Platform:** AWS Cloud Foundations | **Database:** MySQL

INTERSHIP

JP IT Staffing LLC, *API Web Developer Intern* Aug 2026 – Present
Developed and maintained REST APIs using Spring Boot, Firecrawl API, implemented API-based data processing and response handling.
Technologies Used: Java, Spring Boot, REST APIs, JPA, Hibernate, MySQL, Postman.

PROJECTS

Trip Planner 🔗 , *Team Size: 1* May 2026 – Jun 2026
Technologies: Java , Spring Boot , Hibernate ORM , MySQL , OpenStreetMap Api.
Developed a travel planning web application that generates personalized itineraries based on destination, mood, and trip duration.

LeaveEase 🔗 , *Team Size: 4* Aug 2026 – Sep 2026
Technologies: HTML5, CSS, JavaScript, Node.js, MongoDB
Built a web-based system for managing leave requests and attendance across schools and colleges.

POSITIONS OF RESPONSIBILITY

Campus Ambassador — eDC, IIT Delhi | BECon'26 Dec 2025 – Feb 2026
Represented the Entrepreneurship Development Cell (eDC), IIT Delhi for **BECon'26**
Promoted the event and communicated information to students and potential participants.

ACHIEVEMENTS

View 🔗 , *Runner-up – TECHNOSINH-2K26 Project Hackathon*

View 🔗 , *Solved 100+ algorithmic and data-structure problems on LeetCode using Java.*

CERTIFICATIONS

Programming Using Java: Infosys Springboard | **MySQL:** PrepInsta Prime | **Campus Ambassador:** EDC IIT Delhi | **TECHNOSINH 2K24:** NBN SCOE | **Spring Boot:** Udemy | **AWS Cloud Foundations:** AWS Academy
